

FWOC RESOLUTIONS

An important part of the Annual Convention program is the adoption of resolutions which guide the actions of the President and Vice Presidents in carrying out the interests of the FWOC. Member clubs in good standing and individual members are encouraged to submit resolutions representing the regional, state, and national concerns of their clubs.

The format is simple: The name of the submitting club or member, the date, a section called BACKGROUND which details the nature of the problem and possible solutions; the resolution which recommends action: e.g. the FWOC supports; the FWOC opposes. We welcome all resolutions, but urge clubs to research the policies and previous resolutions (which will be found on the website) for conflicts and duplications. FWOC is not just a discussion group, but an action group which is guided by the resolutions.

If you wish to have your concerns considered as a resolution, create a draft and email it to Sydney Herbert, Resolutions Chair, at psydneyh1@msn.com. It is a great benefit to have submittals in advance of the convention.
