The Federation is supported by VOLUNTEER efforts like yours.

Being an individual member affords you an opportunity to be a voice of a larger group, while sharing and learning about ways to protect our environmental resources.

Together (whether during convention - virtually on line or as a financial contributor) we can make a difference in helping to protect our natural world by working to change policy and perception.

Coming soon, our email Alert, a virtual interactive way to learn about and respond to current issues.

Membership entitles you a printed copy of Outdoors West.

You may opt to access the publication online or check here to receive your mail box copy.
