RES. NO. 23: THANKS TO CONVENTION HOST

RESOLUTION: The Federation of Western Outdoor Clubs thanks the Indian Creek Botanical Mission for hosting the 76th Annual convention of the Federation. Jack and Jan Walker deserve special recognition for making the convention a resounding success. All of the speakers were excellent and gave the member club delegates an intellectual challenge on pertinent environmental issues. The staff of the Siskiyou Field Institute were great hosts. Jack and Jan made sure we were well fed. A special thanks to Kate Dwyer Catering for delicious meals. Thanks to all of you for making this one of the best conventions we have ever had.
