FWOC Takes Action - September 91

8 Sep 91

To: Executive Committee, State Vice Presidents, Clubs

Subject: 60th Annual Convention Resolutions, What Actions will we take?

The purpose of FWOC Takes Action is to provide a forum for what is being done with our 60th Annual Convention Resolutions. I would like to publish an update to this by 27 September. Please send me a letter or give me or my answer machine a call. The answer machine will let you speak as long as you like.

Attached is a letter to be sent to Washington, Oregon and California Senators on the FWOC resolution for the creation of a nature corridor along both sides of the Pacific Crest Trail.

I intend to write on the following resolutions:

- Pacific Crest National Scenic Trail
- National Trail Plan Including Computer generated Maps
- Nature Corridor Legislation
- Pacific Crest National Scenic Trail - Forest Service Funding as a Single Unit
- Earth Summit, Earth Charter, Agenda 21 Conference in Brazil, June 1992

I expect the Hobnailers will write on some of the resolutions including:

- Adopt a Highway Program

I'll bet Hazel will have plenty to say on many of the resolutions including:

- Beringia

Please write by 20 September or call by 24 September with updates and progress.

Do Well,

Easy, FWOC President
