FEDERATION OF WESTERN OUTDOOR CLUBS

Established in 1932 for Mutual Service and for the Promotion of the Proper Use, Enjoyment
 and Protection of America's Scenic Wilderness and Outdoor Recreation Resources.

Members and Member Clubs of the Federation of Western Outdoor Clubs: **September 24, 1996**

One of the most pleasant and rewarding activities of the Federation occurs at the Annual Meeting.

The attending representatives from the various member Clubs bring written Resolutions for the careful consideration of the Resolutions Committee. The latter, in turn, evaluates them and recommends which of these should be reviewed by the Board Of Directors. Deciding which Resolutions should be endorsed is NO rubber-stamp operation, and the resultant discussions of the proposed Resolutions and how to improve their wording can occasionally get pretty heated.

After all of the discussions are over, the requisite word-changes made, and the Board has approved the recommended Resolutions, there's a generally "well-done" feeling by the participants, as well as thankfulness that this task won't have to be tackled for another year!

The enclosed Resolutions are from those submittals that have undergone the Resolution Committee/Board approval process. Since the Federation contains a great variety of outdoor organizations, there's a corresponding diversity in outlook and goals in such Resolutions.

Note that most Resolutions suggest or request direct action on YOUR PART to put the collective thinking of the FWOC into the hands (and hopefully also the minds) of policy makers, budget people and decision makers. Accomplishing this (described in detail on the next page) is extremely important to ensure that we, and those who chronologically follow after us, will continue to enjoy the Great Western Outdoors.

We be very hapy to hear what your reaction is to these Resolutions; you can convey your comments to us via the Federation Secretary (address in left margin).

Winchell Hayward
 1996 Resolutions Chair

Marty Huebner
 1994-6 FWOC President
